

REAL ESTATE SECURITY & TRACKING

The **Real Estate Security and Tracking** (R.E.S.T.) package combines the necessary property tax and HOA fee payment services with quarterly property inspections to ensure your investment is secure. R.E.S.T. was designed for you, the out-of-country investor with real estate assets in Nicaragua, in order to save you the time and money you spend on checking up on your property.

With your 1 year subscription to R.E.S.T. you receive the following:

- Tax Payment Service
- Quarterly Property Inspections
- Special Property Visits
- HOA Fee Payment Service

Complimentary with your REST package comes the following services: **Permitting Process Consulting**, a **Construction Monitoring Service**, a **ProNica Personal Account**, and a subscription to the **ProNica Quarterly**.

Services you need...
the Quality you demand.
